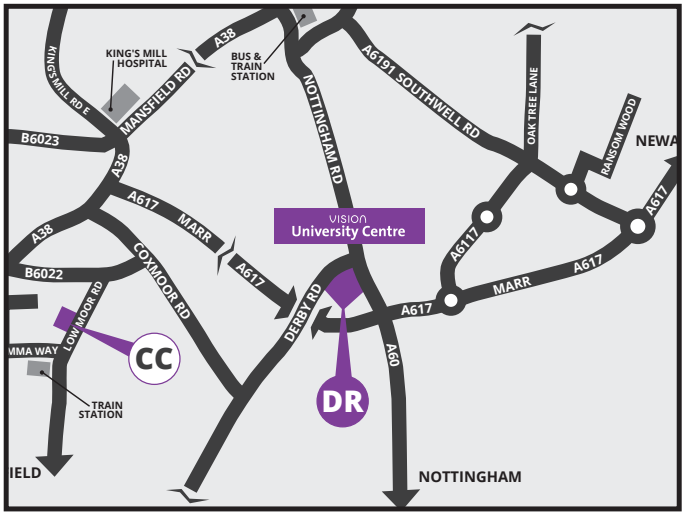
4333 HE Engineering invite Revised.indd 1 28/03/2018 14:18



**Vision University Centre, Derby Road, Mansfield, NG18 5BH**

**RSVP by Friday 4 May 2018**

## ABOUT THE EVENT...

Our HNC engineering students will be showcasing their final year work-related learning projects.

Come along and view the wide-range of employer-related projects that could make a difference to your own business. Discuss methods and results with students, and find out how you can become involved in our university-level programmes and offer work placements to students.

Our Vision Apprentices team will also be attending to discuss the benefits of taking on apprentices in your business.
