

WE ARE MACMILLAN. CANCER SUPPORT

Keith & Sylvia Johnson invite you to join them on
the evening of 9th September 2019 at -

Keith and Sylvia are entering the Paris–Biarritz Veteran car rally in their 1964 Daimler. This event celebrates the first “Grand Prix” and dates from 1898. This gruelling seven-day event takes place during September and covers up to 1500 miles through central France and over the Pyrenees into Spain.

While not a charity event, Keith & Sylvia are using the rally to help raise funds for Macmillan with a curry night. The menu will be different to standard with many special dishes. There will also be the opportunity to join in the challenge by taking part in a relaxed competition during the evening to win various prizes. As the car is from the 1960's there will be a distinct 1960's motoring theme to the evening.

See the vehicle, meet the crew, have a great meal and help Macmillan
